Thursday 28th January 2016

Dear Year 1/2 Families

On Wednesday 3rd February there will be no school for the year 1/2s. This is to enable the staff to do some assessments of some of the children. At the beginning of the year we use the information and data collected at the end of the previous year. We also reassess the children with some of the assessments at the beginning of the new year. To help get on top these we will send home invitations to some families to bring their child to school for assessments on Wednesday 3rd of February. This is so we can make a head start on the assessments without the teachers being out of class at this crucial time of the year when they are setting protocols and establishing relationships.

Invitations will sent home tomorrow Friday the 29th January. If the time does not suit please let your class teacher know on Monday so they can reorganise the time. If you do not receive an invitation do not stress as your child will be assessed during school time in the first few weeks of the year.

AS always thank you for your support.

Regards

Gavan O'Donnell
