

St Joseph's School, Chelsea

Term 2, Week 10 Thursday 24th June 2021

**Thank you for the wonderful support for
SVDP....**

Dear Families,

Circus

We are looking forward to tonight's Circus performances.

Drop offs for show 1 at 5-5.20pm and show 2 at 6.45-7.05pm - ALL at Woodbine Grove.

Both shows will be recorded and can be ordered online at www.aidemmedia.com.au If ordering by envelope please return the envelope with cash by tomorrow Friday 25th June. If ordering online please order by Friday 2nd July 2021.

You can watch live via one of these links:

Show 1 - <https://youtu.be/mUpnj5Jktq8>

Show 2 - <https://youtu.be/X6y9QiQwnrk>

Pick up from show 1 is on ARGYLE AVE from 6.45-7.10pm

Pick up from show 2 is on WOODBINE GROVE from 8.30ish.

I hope you all have a chance to have a break for the next two weeks after a very busy term. I am hoping to get away for a few days next week locally to help support the tourist industry and have a break. A big finale with the circus tonight should end a great term of learning. The chance for all the children to experience the circus after lots of practising is great. Tomorrow we finish at 1pm and if you think a sleep in is required that is fine.

Next term we will return to some normality with parents (hopefully) allowed back into the school grounds. Children will be brought out each evening for pick up and drop off. Parents can bring the children in, but we will limit access to the buildings and class rooms.

At this stage we will reopen parent helpers. Parents will need to sign in at the office. We will advise you regarding the wearing of masks next term when we know more.

Yr 3/4 Corinne Fenton Incursion

Corinne in our school

Yr 5/6 Lightning Premiership

Congratulations to all the Yr 5/6 students who competed in the winter lightning premiership on Tuesday. They had a great day. Also our teeball group have made it through to the next level. They will be competing with other teams in the first week of term. Details to follow.

End of Term 2

The end of term will be Friday 25th June at 1pm.

Enrolments for 2022 will remain open. If you have a child starting school next year, please contact the office.

LXRP

Today I received a phone call from LXRP regarding the closure of the crossing at Argyle railway line. This will occur on Sunday 25th July and will be in place until the end of 2021. On the second day of term 3, Tuesday 13th July representatives will be available to answer questions about the impact of the closures on traffic and crossings. They will be available from 8.30-9.15am on Tuesday 13th July at a pop up marquee in the school grounds. So come along and find out more. I will share information with you all after the briefing on the 13th July.

Some Lightning Premiership photos....

Yr 1/2 WALT work....

WALT identify the special places important to Aboriginal people and how they keep their special connections.

What did we learn about possum cloaks?

- tells a story
- shows country
- shows language

Level Crossing Update

LXRP Update

At last night's Level Rail Crossing Update we received some information regarding the closing of Bonbeach, Chelsea and Edithvale stations as well as closures to Argyle and Station Street.

Argyle and Station Street will be closed 26th June until 11th July (the school holidays) for drainage works that need to be completed before the railway line works can proceed. The impact on train services is below, along with the drainage drawings.

Edithvale, Chelsea and Bonbeach stations will close from Monday 2nd August until late 2021. Trains will run express from Mordialloc to Carrum during that time.

Argyle Avenue Drainage Upgrades

- Argyle Avenue will be closed to vehicles at Station Street from Monday 28 June to Saturday 10 July.
 - Local access for Argyle Avenue will be maintained during this time.

NCCD Information Sheet

Nationally Consistent Collection of Data (NCCD) On School Students with Disability

What is the Nationally Consistent Collection of Data?

Schools must now complete the *Nationally Consistent Collection of Data on School Students with Disability (NCCD)* every year. It counts the number of students who receive additional adjustments or "help" at school because of a disability. The NCCD helps governments plan for the needs of students with disability.

Who is counted in the data collection?

To count a student in the NCCD, schools must think through some key questions:

1. Is the student getting help at school so that they can take part in education on the same basis as other students?
2. Is the help given because of a disability? The word 'disability' comes from the [Disability Discrimination Act 1992](#) (DDA) and it can include many students.
3. Has the school talked to you or your child about the help that they provide?
4. Has the school kept records about the help they provide, the student needs and the reasons that the student needs this help? The school will need to keep copies of tests, student work, assessments, records of meetings, medical reports or other paperwork and information about how the student's learning is moving along over time.

Once the school decides that the student should be counted in the NCCD, they then choose a disability group and one of four levels of help that has been given to the student.

What does the word 'disability' mean in the NCCD?

Community Updates

ENROLMENTS ARE OPEN
For current Year 5 students who
will be attending Year 7 in 2023

CLOSING DATE 20 AUGUST 2021

Applications available on our website:
