

School Philosophy Statement

Introduction

The constitution of Melbourne Archdiocese Catholic Schools Ltd (MACS) contains a Statement of Mission, which provides the expectations of the sole member of MACS, the Archbishop of the Catholic Archdiocese of Melbourne (Member), for Catholic schooling and the identity and work of a Catholic school. The Statement of Mission positions MACS firmly in the reality of the Eucharistic character of the Catholic school, affirming that its enterprise is one that builds community and provides opportunity for personal transformation.

With parents and parishes, Catholic schooling seeks to fulfil this mission by providing an environment in which students are enabled to:

- *encounter God in Christ and deepen their relationship with him*
- *pursue wisdom and truth encouraged by a supportive academic culture*
- *grow in the practice of virtue, responsible freedom and serving the common good.*

A Catholic school:

- *is actively embedded in the life of the faith communities of the local Church, which in turn is tangibly manifested in the life of each school*
- *is an essential place for the evangelising of children and young people*
- *exists to assist students, and their families, to integrate faith, reason, life and culture*
- *is conspicuously Christian in outlook, explicitly Catholic in faith and practice, and intentionally missionary in orientation*
- *cultivates spiritual, social and emotional growth in a safe and protective environment*
- *provides a learning environment in which the whole educational community is formed to embrace life in all its fullness (Jn 10.10)*
- *offers a human formation that has the intellectual, practical and moral excellence of learners at its heart*
- *forms consciences, fosters peace and develops respectful dialogue, at the service of intellectual charity*
- *encourages the discovery of Catholic cultural heritage, especially in art, music, literature and architecture.*

St Joseph's Primary School, Chelsea is a Catholic primary school which has been established to provide quality education in the Catholic doctrine for families in the local area.

Vision

We believe in a faith community that celebrates and lives out the ongoing presence of Christ in the world.

We believe that we are invited to live as Jesus taught us to live and create a sense of belonging to the Catholic faith that is inclusive of all.

We believe education is a partnership with responsibility shared between the learner, parent, carer, staff and the wider parish community.

We believe in an education that meets the needs of all learners and supports the wellbeing of the individual.

We believe education is a lifelong journey for all.

Philosophy enactment

At St Joseph's Primary School, Chelsea, our school philosophy, which includes the vision, mission, values and objectives, will be central to all our policies, practices and teaching and learning programs. The school's philosophy is published on our school website as well as in our key policies such as our enrolment policy.

Reporting

The MACS Board will ensure schools have implemented a contextualised school philosophy using this template through the annual report to the school community and regular school review processes (at least once every four years).
