

St Joseph's School, Chelsea

Term 2, Week 1 Thursday 27th April, 2023

Dear Families,

Welcome back after an extra long break. The children have come back ready to learn. On Tuesday we were represented by Stanley Foot and Jamie Monga at the Anzac service at the Chelsea Centopath. Thank you to all the families who attended.

Today information regarding the Year 4's First Communion will come out on Operoo. Parents will be able to indicate which service they will be attending over the weekend of Friday 2nd June and Saturday 3rd June. There will be two information nights for the parents and children, to be held on Thursday 11th May and Thursday 25th May at 7pm.

A flyer has come home today with the eldest child advertising our Mother's Day stall on Thursday 11th May. Four parent helpers are required - please contact the office if you can help.

Next Monday 1st May we have our first PEAT gathering for Term 2 at 2pm in the library. Come along for a cuppa and a chat. We will be talking about PBL and Anxiety.

The annual AGM of the School Advisory Committee will be held at 6.15pm on Wednesday 17th May in the library, followed by a 7pm 100th Anniversary meeting.

On 29th July 2024 St Joseph's will be officially 100 years old. We are looking for ideas and volunteers to help co-ordinate a celebration. If you are an old student of St Joseph's and have any ideas please come along.

Kindest Regards,

Gavan

PEAT (Parent Engagement Action Team)

PEAT meets monthly, all parents are welcome. This gives our families a chance to meet and have a chat with new and old parent friends. You will also hear about what is happening at school or a presentation on a topic. At the last meeting parents heard about PBL (Positive Behaviours for Learning) happening in the school.

Here is a copy of the Vision and Mission of PEAT.

Vision statement:

We aim to:

- Create a culture at St Joseph's that maintains and supports all participants' wellbeing and growth
- Inspire and energise all to be active, inclusive and valued members, providing varied opportunities to encourage and support all members of the community

Develop and sustain wellbeing and growth throughout each child's pathway of life

Mission statement:

- Our team is committed to develop collaborative working relationships with teachers, families and other members of the school community to promote students' wellbeing
- To develop a common understanding of the curriculum and connect families with staff, encouraging and empowering them to work together to improve learning outcomes.

We are committed to fostering a sense of belonging to our St Joseph's community.

Why not come along to our next meeting on Monday 1st May at 2pm in the library. Free drink and nibbles as well!

ST JOSEPH'S POSITIVE BEHAVIOURS FOR LEARNING

"Always Faithful"

Positive Behaviours for Learning

During the recent PEAT meeting, we had a conversation with our families about Positive Behaviours for Learning (PBL) at St Joseph's and the impact it has had on our students' learning and wellbeing. We unpacked our three core expectations: Safety, Respect and Responsibility and the associated behaviours. Parents were keen to know more about the tokens that are distributed across P-6. All staff can distribute these to students in all areas of learning.

PBL Tokens:

- establish a system which helps staff to recognise students for their efforts and achievement
- develop a relationship through an exchange with the staff member and student
- shape or change behaviour
- allow students to know when they are 'getting it right'

- are given to students and specific feedback is provided on the behaviour/expectation that they have demonstrated

Students are now collecting their tokens which may work towards a reward. Please see your child's class teacher if you would like to know more.

Dad's footy match vs St Louis

Hi everyone,

On behalf of the local communities Dads Football Group, I would like to introduce myself to the St Joseph's community and inform everyone that we are undertaking regular Wednesday (fortnightly) training sessions at the Chelsea Football Club, Beardsworth Avenue, Chelsea 6:00 PM. The training is in preparation for our annual game of football (AFL) where the dads from St Joseph's (Chelsea) play the dads from St Louis (Aspendale) which is generally played around late August (official date is yet to be confirmed). This is the 6th year running since its inception and provides us an opportunity to unite our community by making new friends and strengthening old friendships.

This game has heavily modified rules to suit our experienced bodies such as no tackling, 4 x 12-minute quarters and random penalties for those that take themselves too seriously. We have various ranges of age groups that participate (from 30-57 years old) and differing fitness levels. There are players that have never played football before to dads that have played their whole lives (everyone is welcome). There are also many other non-playing roles which we need volunteers for, so please join our group if you want to get involved.

All dads are welcome to come and play, all they need to do is reach out to myself (Patrick Donnellan 0438 757 850) and we can get you into the 'WhatsApp' group so that you are up to date with various training sessions and events throughout the year.

This fantastic group of men live and breathe the ethos of Wellbeing and Mental Health and they demonstrate this belief by the welcoming and supportive group they have cultivated. So, if you are looking to improve your mental Health and Wellbeing and are keen to strengthen your local community please reach out and get involved, I promise you will have FUN!!!

Should you have any questions please do not hesitate to contact me.

Look forward to seeing you soon.
